

Advisory Team for
ATLAS
Large Applications

www.atlasplanning.com

Key Features

When [ATLAS](#) wanted to create an online version of the [ATLAS Guide](#) they knew Enigma was the agency to deliver. The online guide needed to provide users with a vast amount of complex and related information on the development process and stages required to ensure a successful project.

Primary Audience

Aimed at Local Authorities planning and implementing large scale building developments.

The Nuts & Bolts

- User account registration
- Full detailed site glossary
